4. Alignment with WLGP Objectives

I confirm my support for the 20 core objectives of WLGP:

1. Promote Global Peace – Foster unity, mutual respect, and non-violent resolution of conflicts worldwide.
2. Family Protection & Population Growth Support – Strengthen family structures and support safe, healthy population growth.
3. Eradicate Poverty – Support programs that reduce poverty and promote social welfare.
4. Strengthen Healthcare Systems – Improve public health, medical care, and global healthcare cooperation.
5. Protect Human Rights – Defend dignity, freedom, and equality for all people.
6. Women Empowerment – Advance women’s leadership, participation, and equal opportunities.
7. Children’s Rights & Protection – Safeguard children’s welfare, education, and safety.
8. Promote Environmental Sustainability – Protect natural resources, address climate change, and encourage green innovation.
9. Global Refugee & Migrant Support – Provide protection, settlement, and dignity for displaced persons.

10. Cultural & Interfaith Harmony – Promote interfaith dialogue, tolerance, and respect among diverse communities.

11. Global Financial Crisis Response – Prepare solutions to address global economic instability and crises.

12. Youth Leadership Development – Invest in youth leadership, mentorship, and civic responsibility.

13. Promote Human Dignity & Equality – Advocate fairness, justice, and equal opportunities for all.

14. Global Peace Award – Celebrate and honor contributions to peace, dignity, and humanity.

15. Sustainable Real Estate & Community Development – Support sustainable housing, infrastructure, and urban planning.

16. Disaster Management & Crisis Response – Strengthen disaster preparedness, response, and recovery systems.

17. Business & Economic Promotion – Encourage entrepreneurship, investment, SMEs, and global trade partnerships.

18. Support Education & Innovation – Ensure access to quality education, vocational training, science, and digital skills.

19. International Cooperation & Partnerships – Build international networks for shared prosperity and peace.

20. Legal Aid & Justice Support – Provide legal assistance, advocacy, and protection for refugees, asylum seekers, and individuals facing persecution or discrimination based on religion, ethnicity, or belief.
